AKASH K

Software Developer

Calicut, Kerala, India | +91 9947878418 | akashskuppattil@gmail.com
LinkedIn: linkedin.com/in/akash-k-developer | Portfolio: akashkuppattil-dev.github.io/akash-portfolio

MCA graduate and enthusiastic Software Developer with hands-on experience in full-stack development. Familiar with **Python, Django**, React.js, and RESTful API integration, with a solid understanding of database management (**MySQL, PostgreSQL**) and version control using **Git/GitHub**. Internship experience building real projects involving both backend and frontend tasks. Eager to learn, improve code efficiency, and contribute to collaborative development teams.

SKILL

Frontend: HTML5, CSS3, JavaScript, React.js (familiar)
Backend: Python, Django (familiar), Node.js, NestJS
Databases: MySQL, PostgreSQL, MongoDB, REST APIs, Postman, Git/GitHub
APIs & Others: REST APIs, Postman, Git, GitHub, Power BI, Excel, Unit & Integration Testing, Agile/Scrum

EXPERIENCE

PHP Developer Intern - Trogon Media Pvt Ltd, Calicut, Kerala July 2025 – October 2025

- Developed and maintained web applications using CodeIgniter & Laravel frameworks.
- Improved app response time by 30% through database query optimization

Software Developer Intern - Bairuha-Tech, Calicut, Kerala Jan 2025 – May 2025

- Implemented Front Office Management module using React.js and NestJS, integrated with PostgreSQL.
- Developed REST APIs for appointment scheduling and OP number generation.
- Collaborated in a 5-member Agile team using Git/GitHub; participated in code reviews.

PROJECTS

Hospital Management System (*Live Project – Bairuha Tech*)

- Built Front Office Management module with role-based authentication and appointment APIs.

Warehouse Management & Logistics Tracking

- Built a real-time logistics tracking solution with **Python, Django, MySQL**.
- Enabled vehicle tracking and warehouse optimization, improving operational efficiency.

Free Bird (Web App for NGOs & Children)

- Designed a web application to connect street children with NGOs for education and healthcare.
- Built with **Python, Django, and MySQL**, supporting data-driven social impact.

EDUCATION

Master of Computer Applications (MCA) July 2023 - June 2025
APJ Abdul Kalam Technological University – AWH Engineering College

Bachelor of Computer Science July 2019 - May 2022
SAFI Institute of Advanced Study (Autonomous)
